WALLACE SPEAKS.

Argues on the Practibility of Sea Level Canal.

CHICAGO, March 22,-John F. Wallace, formerly chief engineer of the Lawyer Demands Money For Panama Canal, was the principal speaker at the banquet of the American Railway Engineering ad Maintenance of Way Association last night.

"A good deal has been said about my relations with the Panama canal." he said, "and I will just touch on it here. Whatever may be urged in respect to a great principle and a man's elinging to it, as far as my connection with the canal is involved, I believe heartily that that which I sought to bring about, my re-ignation effectually. put on the way of achieving. DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its extellence as a general halr-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., De-
